SECRETARY'S REPORT

Correspondence In

23/11/23: Response from Liza Butler, Member for South Coast re Bendalong Rd
Thank you for your letter to me regarding the poor conditions of Bendalong Road and the suggestion of more involvement from the NSW Government in road maintenance in local areas.

I have now written to the Hon Ron Hoenig MP, Minister for Local Government, with the concerns of the RHVA on the local road conditions and for the Minister to advise what action can be implemented to administer this important road maintenance project.

I have included the Hon John Graham MLC, Minister for Roads, in my representations so he is aware of the situation of local road conditions.

When I receive responses from the Ministers, I will forward these through to your group.

I would also like to attend your meetings if I am available through the year. If you could advise my office of your future meeting dates, we can place them in the diary.

Regards
Liza Butler MP
