Secretary's report – RHVA General Meeting 18th May 2024

Correspondence In:

- **20/3/24 – Our Future Shoalhaven/Keep Jervis Bay Beautiful**
This community organisation has endorsed a new project to look at regulations on jetski use in Jervis Bay. It contacted all SCC CCBs to seek experiences of irregular jetski use in other areas of the Shoalhaven as part of its efforts to improve regulations and hence water safety
- **27/3/24 – Approval by Dept Industry, Science and Resources of Yulunga Hall grant extension**
- **5/4/2024 – SCC Media Release - Council to consider a property sales program.** A list of Council-owned properties identified as suitable for potential sale will be considered at the Council meeting next week as an update to its Land Sales Strategy. At its meeting of 29 January 2024, Council considered options for financial sustainability, including a report detailing a strategy of property sales
- **10/4/24 – Letter from Marjorie O'Neill MP, Parliamentary Secretary for Transport to Chris Hayes, Chair of RHVA Inc**
Response to RHVA letter to Minister for Transport about our community's concerns about jetski safety (see letter posted on RHVA website)
- **3/5/24 – SCC Media Release Proposed Council budget focuses on fiscal discipline**
Council will next week consider the draft 2024-25 budget that provides for \$472.6 million of capital works and essential community services as outlined in the draft Delivery Program and Operational Plan. The report to Council identifies that prudent financial management and fiscal discipline has been applied to develop a balanced

budget that includes an affordable list of capital works and infrastructure renewal projects

- **March to April 2024** – various emails to CCBs led by Berry and Tomerong CCBs proposing the establishment of an SCC finance advisory sub-committee comprised partly of CCB executive reps.

- **9/5/24 - SCC Media Release**
Shoalhaven Water fees proposed to increase
Shoalhaven Water fees and charges are proposed to increase from July 2024 to cover the increasing costs of providing water and sewer services and infrastructure across the region.

Correspondence out

- **25/3/24 – Notice by RHVA of consultation period on Final Draft Red Head Villages Community Plan for a Sustainable Future 2024-2030**

- **10/4/24 -RHVA Media Release - Locals voice objections to Manyana development Inyadda Drive, North Manyana Land and Environment Court Conciliation Conference , 8th April 2024**
 - distributed to various local media outlets

Some 250 concerned local residents turned out on Monday for a public conciliation conference of the Land and Environment regarding an application for the development of 65 lots in North Manyana bushland.....
