Dear Chief Executive Officer

RHVA Submission
Re/ Public Exhibition – Local Character Planning Proposal (PP073)
Shoalhaven Local Environmental Plan (LEP) 2014

The Red Head Villages Association Inc (RHVA Inc) supports Shoalhaven City Council's (SCC) 'Local Character Planning Proposal PP073,' noting the positive and productive working relationship with respect to advocacy for SCC 'instrument-only amendments' to the Shoalhaven LEP 2014 over the past two years including; Delegations to Council, Written Submissions, NSW Land & Environment Court Conciliation Hearing Witness Statements, RHVA Inc-Community Consultative Body communications and official correspondence on behalf of its membership with respect to; 'ensuring the acknowledgment, protection and enhancement of the unique **existing and desired future** local character and scenic landscapes of the localities within the Shoalhaven LGA is considered in the development assessment process.'

In addition, the RHVA Inc looks forward to the publication and submission to SCC of its pending 'Sustainable Future Plan 2024-2030' that includes a widely consulted and adopted vision of its five villages, existing and desired future local character.

On behalf of the Red Head Villages Association Inc Executive Committee, Members and the significant number of residents interested in this planning proposal and consequent planning outcomes we thank you for your time and consideration of our correspondence over the past two years.

Yours Sincerely
Luke Bastock
