

Community Meeting

Manyana Matters Environmental Association
and the **Red Head Villages Association**

are proud to jointly host a community meeting to answer your questions on the
Manyana Beach Estate / Ozy Homes site
(aka Manyana Special Conservation Reserve)

Minister Plibersek recently handed down a decision to allow the development to proceed. We'll talk about the many conditions that were imposed on the developer, why we think it's worth continuing the fight, what the next steps are and how you can help.

Saturday 19th October
11am – 12.30pm
Yulunga Hall, Manyana

All welcome!

Please also put **MONDAY Oct 28th at Inyadda Beach Carpark 10.15am** in your diary for another **Land & Environment Court** hearing regarding the proposed North Manyana suburb.
