Nowra NSW 2541

Attention Parks and Reserves.

To whom it may concern.

The Red Head Villages Association Inc., (RHVA), has received a number of enquiries about the Washerwoman's Beach reserve picnic facilities. There had been two picnic tables under the shelter but one has been removed by council. Would you advise the RHVA when a replacement is planned.

Regards

A handwritten signature in black ink, appearing to read 'Chris Hayes', on a light-colored background.

Chris Hayes
President.
